A COMPLAINT AGAINST OFFICER WROBEL # 11688 DISTRICT 007 FOR FALSE ARRESTING AN  
INNOCENT MCDONALDS  
CUSTOMER

JUNE 19, 2012

FROM: [REDACTED]

TO: THE INDEPENDENT POLICE REVIEW AUTHORITY  
1615 WEST CHICAGO AVENUE  
CHICAGO, ILLINOIS 60622

DEAR IPRA :

On Dec. 9, 2011 on a Friday; I left home to go to the grocery store to buy some food at Jewel grocery store located on 9400 S Ashland in Chicago. After paying for my groceries at Jewel grocery store, I left and walked to McDonald's to get and pay for a hot tea with lemon before heading back home to cook. The McDonald's that I went to on that day is located at 1657 95<sup>th</sup> street in Chicago, about a block away from Jewel grocery store. So I arrived inside , and the McDonald's was kind of almost full inside. So I wait in a line behind approx. two or three people waiting to have their order taken just like me . Most of every body else already had their order taken and was already sitting down eating their food. My back was hurting that day and I was not feeling well to say the least. And I had already eaten a big meal earlier, so all I wanted from McDonald's was a hot tea with lemon to wash it all down. And my stomach was hurting as well. So they took my order, and about a few minutes later, after completing the other customers order, they call mine which was a hot lemon tea that I paid for. When they gave me my order, I told them thank you . At first I was going to sit down as a customer, but as I began to walk I could feel that I had to pee. So I decide to head to the ladies rest room first. So I go inside and realize that the two toilets are full, so I waited patiently until one of the ladies came out, which was about five minutes. So when one came out, then I went in one to pee. After urinating in the toilet , and wiping my self with tissue, then pulling my clothes up; all of sudden I began getting some back pain, and at the same time my stomach started to hurt as well. That is when I realize that I was having some diarrhea. And I thought to my self just great, my stomach is hurting and my back, and I got diarrhea. And I thought to myself it can't get any worse than this, but it did. This is where my night mare begin. Five minutes later, I hear the main door of the McDonald's ladies rest room open, then I hear a man's voice saying, " Mam you need to come out ! " At first I thought to my self what is this man doing in the ladies rest room, don't he know that the men's rest room is on the other side. Then I thought to myself Maybe something is wrong with him, so I didn't say any thing. I'm still on the toilet at this time. A minute later I hear the main door of the ladies rest room close with a sound. One minute later, the same man voice comes in the ladies rest room again and say, " Mam you need to come out!" Just constantly harassing me while I'm on the toilet trying to let my feces out from having diarrhea. By this time I getting fed up, and getting angry. And I'm thinking to myself that I can't use the toilet in peace for this man harassing me in the ladies rest room while I'm on the toilet..

A man name [REDACTED] invaded my privacy by coming in on me while I was using the toilet partially naked from the waist on down, then he lied on me to Officer Simmons & Officer Wrobel, they falsely arrested me, but before that Officer Wrobel came in very cocky, like a wanna be Italian young mobster, he ask for my I.D. , and before I could give it to him , he snatched my purse and knocked over my hot tea with lemon I just had paid for, I didn't even get a chance to finish it, it was still full, I only got one sip, before this rookie officer Wrobel came in and the psychological untrained officer Simmons came in. He falsely arrested me, and made up a charge on me that was not true. And he as well can not go around in the city falsely arresting innocent people, he is also causing harm to the community as well, and needs to be fired !

Respectfully,

[REDACTED]

A COMPLAINT AGAINST OFFICER SIMMONS # 13466 DISTRICT 007 FOR FALSE ARRESTING AN  
INNOCENT MCDONALDS  
CUSTOMER, STEALING A  
CAMERA OUT OF MY PURSE  
WHICH WAS EVIDENCE,  
TAMPERING WITH EVIDENCE,  
& THROWING MY GROCERIES  
AWAY FROM JEWEL GROCERY  
STORE ON 95<sup>TH</sup> & ASHLAND !

JULY 3, 2012

FROM : [REDACTED]

TO: THE INDEPENDENT POLICE REVIEW AUTHORITY  
1615 WEST CHICAGO AVENUE  
CHICAGO, ILLINOIS 60622

DEAR IPRA :

On Dec. 9, 2011 on a Friday; I left home to go to the grocery store to buy some food at Jewel grocery store located on 9400 Ashland in Chicago, Illinois. After paying for my groceries at Jewel grocery store, I Left and walked to McDonalds to get and pay for a hot tea with lemon before heading back home to cook dinner for me and my children. The McDonalds I went to was located on 1657 95<sup>th</sup> street in Chicago, Illinois about a block away from Jewel grocery store. So I arrived inside, and the McDonalds was kind of full that day. So I waited in line behind about or approximately two or three people before my order was taken. Mostly every body else order had already been taken, and most of the other customers were sitting down enjoying their food or drink that they ordered. My back was hurting that day to say the least and I was not feeling very well that particular day ! And I had already had a very big meal earlier that day . So all I wanted to do at McDonalds was to pay for a cup of tea with lemon and just go home. So the cashier took my order and greeted me , and I told them all I wanted was a cup of hot tea with lemon. So that is what I paid for. So when I got my tea with lemon, at first I was going to sit down at first, but all of sudden my stomach started to hurting, and I could feel that I had to pee. So instead of going to sit down as a customer first, I decided I better go to the ladies rest room first to pee, so I want pee in my clothes. So I went to the ladies rest room first, both of the two toilets were full, so I had to wait about five minutes for the next available toilet. So when one came out , then I went in to pee in the toilet. After urinating in the toilet, and wiping my self with tissue, then pulling my clothes up; all of sudden I began getting some back pain, and at the same time my stomach was hurting as well. I thought to my self just great, my stomach is hurting and my back, and I have diarrhea. And I thought to myself again it can not get any worser than this, but it did. A night mare at McDonalds was about to begin . This is where my night mare began, inside of a ladies rest room at McDonalds. When I

realized I had diarrhea, I had to stay on the toilet for a few more minutes than usual, to let all of the diarrhea out that day . Five minutes later, I hear the main door of the Mcdonalds ladies rest room open, then I hear a man's voice saying, " Mam you need to come out !" At first I frowned up a little and thought to myself what on earth is a man doing in the ladies rest room. After thinking that, I did not say any thing at first. Then I thought he was probably crazy, mentally sick, or just something was wrong with him in general. Because a man suppose to knock on the women's rest room before entering, and a man can not go in a woman's rest room if one woman or women are in there using the toilet period. And if a man go in on one woman or women while she or they are using the toilet with their pants down which is partially nude, then that man violates a woman or women privacy, and that is an obscene act, and it is a crime. And it is a sexual offense to a woman. The man that did this crime to me that day, I found out his name, and his name is [REDACTED] When I told a Manager about it, She reveal to me that he was hired temporarily for Christmas. And she told me some more things as well. [REDACTED] came in the ladies rest room, not just once, but at least two or three times looking at me while I was on the toilet through cracks- openings of the toilet door, and while he was doing this , he was constantly Harassing me on the toilet to come out naked. He is also caught on Mcdonalds surveillance camera Coming in the ladies rest room while I was still using the toilet in there, as well caught on surveillance coming behind me as I came out of the ladies rest room inside of Mcdonalds . Before I came out of the rest room, I confronted Malcolm about the fact that he can not be in the ladies rest room while they are still using the toilet. While I am telling him this in an angry tone, I am washing my hands [REDACTED] still staring at me with an obsessive strong sexual look. So I get through washing my hands, and I try to Get out, try to stay calm, because this man has just violated my privacy, and I try to get out of the door, this man name [REDACTED] I up on me and to close to me, I struggle to get pass him out, then I find a seat, I try to sit down and drink my hot tea to calm down of what just happen, But my soul could not rest, after sitting down barely a minute or two, this man name [REDACTED] would not leave me alone, kept on starring at me, and over there by me; I could not seem to rest for him, first he violated my privacy in the ladies rest room while I was using it, now I can't even drink a cup of tea for him, next I began to get boling mad, and I just happen to have a one-time yellow camera in my purse, and within a split second I had made up my mind that I was going to press charges against this man for invading my privacy in the ladies rest room, and harassing and looking at me while I was partially naked on the toilet from the wist down. So I took a picture of him with his black uniform on, because I was not going to let him get away with this. He got mad when I took a picture of him as a predator, and he realized that I was serious and he was in a lot of trouble. He tried to get one of the young female employee's at Mcdonalds to lie for him. The girl had a scared look, like I don't know. Then when that didn't work, he did another unthinkable thing, he called the police on me to cover his tracks and lied to Officer Simmons and officer Wrobel, and said that I had criminal trespassed, when he know that I had just paid for a cup of hot tea with lemon, and I can be seen on surveillance with the hot tea and I also have a receipt for it as well. I also had two small bags with me from the grocery store as well that I paid for from Jewel grocery store. Officer Simmons and Officer Wrobel falsely arrested me that day. Officer Simmons threw my groceries away, that was food I had bought for me and my children that week, and she also stole my camera out of my purse, it was evidence, and I was also going to take pictures with it of me and my children and my family for Christmas Dec. 25, 2011. Malcolm told officer Simmons to take my camera out of my purse and discard it, and like a little puppet she did it. I also have the receipt for it as well. [REDACTED] knew that the camera was evidence against him. So he was trying to do every thing he could as to get away with his lies, cover up evidence with Simmons help, Simmons tampered with evidence and more etc. when she did this. There fore she is not cut out to be a good cop, it is like she didn't use her brain that day, you can not go around false arresting innocent people. I think that she should be fired ! She is causing harm to the community !

Respectfully,
